

Record of Board Proceedings (Minutes)

The Metcalfe County Board of Education met at 709 West Stockton Street on Thursday, November 10, 2022, at 6:00 PM for a regular meeting. The following members were present:

1) Joey Shive 2) Donnie Perry 3) John Caffee 4) Robin McMurtrey 5) Tim Brown

Present – Superintendent

Absent - Board Attorney

1) Call to Order

Chairman Joey Shive called the meeting to order. Donnie Perry led the invocation.

2) Recognition

TJ Britt

MCES 5th Grader

Student of the Month

John Reece

MCES Custodian

Classified Employee of the Month

Dewayne Hadley

MCES Ex. Ed Teacher

Certified Employee of the Month

*Board recognitions are sponsored by RBS Design Group, Glass & Thompson Insurance, and American Fidelity.

3) Superintendent Report

Superintendent Josh Hurt

- Mr. Hurt introduced **Jeff Sprowles** of Wise, Buckner, Sprowles & Associates, PLLC, who presented the FY22 Financial Audit to the Board. He thanked the Board for allowing the firm to continue preparing the annual audit. He said the district had a clean opinion, which is one of the most important things the board wants to hear. Total assets were \$10,040,014, which is an increase of \$889,000 from the prior year. The total net position was \$6,289,562. The district had positive effects for the year, with a total increase of \$861,561 in net position. The general fund balance was \$3,329,033, an increase of \$373,070. Overall, it is a good showing for the district. Two major federal programs were tested, ESSER and Title I. Both received clean opinions. There were no compliance issues.
- Mr. Hurt said, "Thank you to our finance team and to our board for making sure that we are spending to help students, providing services, and moving forward; while still trying to be prudent and wise with taxpayer dollars. Once again, I feel like we had a really good audit."
- Congratulations to Joey Shive and Donnie Perry for being re-elected to the board.
- For 5E, if approved the district much match \$16,404 for the KETS offer of assistance for technology-related purchases.
- We were one of the few districts in Kentucky selected for an ESSER audit. Cheyenne and Stacey worked hard to make sure the audit was clean. It went well, with few issues.
- Item 5H would allow us to provide all full-time staff with a stimulus bonus of \$1,000 paid through the ESSER fund. This is the third year for the ESSER bonus.
- We have purchased two new buses, and with the approval of 5I, we would like to purchase up to five more new buses with our ESSER funds. The buses are approx. \$125,000 each.

- Item 5A is the BOE meeting dates starting in January for the next six months.
- We just completed a food service audit at the high school. The auditors said we were a model school and thanked us for the excellent work that we are doing in food service. Kudos to Director Beth Miller and her staff.
- Several schools around the state have had to close due to sickness. While Mr. Trotter continues monitoring our attendance, we don't have any plans to close now. We are holding in the low to mid-90s percentage.
- Veterans Day activities will be held tomorrow at all of our schools.
- Football hosts Danville Friday night in the state playoffs. The Hornets are undefeated, 11-0.

Stacey Slinker

- No comments.

Michael Gill

- MCES held its Fall Festival last Friday night. The PTO-sponsored event raised \$21,000 total and \$13,000 through its prince/princess and king/queen competitions. King was Jasper Fields, the queen was Mallory Wahl, the princess was Madi Osbon, and the prince was Landon Parnell. Landon was also the highest earner raising more than \$1,200.
- MCES had parent/teacher conferences this week.
- MCES held Red Ribbon Week with dress days for students and staff each day.
- Halloween parties went well. Lots of students wore costumes.
- 4th-grade students attended swim lessons at the YMCA.
- The MCES Veterans Day ceremony is at 8:30am tomorrow.
- Tomorrow is also COW(Creative Opportunities Working) day and DOJO day.

Mr. Hurt

Last year, you may remember, we donated some money to help make repairs at the YMCA pool. We are excited for our students to be able to use the pool. Mary Lou Feese told Mr. Hurt that our students are the most respectful, behaved, attentive, and thankful of all of the YMCA groups.

Cheyenne Perry

- No comments.

Jenny Stotts

- MCMS had a dress-up week for Red Ribbon Week. FRYSC provided some hands-on anti-drug lessons for students. Students also listened to guest speakers.
- The MCMS football team also had a winning season this year and made it to the state playoffs. Nine students were named to the all-region team. Coach Josh Harlan was named region Coach of the Year for 8th grade.
- Folks from Mammoth Cave recently visited MCMS science classes.
- For the 4th straight year, MCMS has been named a National Beta School of Merit.
- MCMS had its Beta induction ceremony last night.
- The joint MCMS/MCHS Veterans Day program begins at 9:30am tomorrow.

Mr. Hurt

MCMS behavior referrals are down this year compared to last year. Thank you to Mrs. Jenny and the staff at the middle school.

Rachel Dial

- State test results have been released. The elementary school and middle school are now classified as TSI (Targeted Support and Improvement) schools. About 40% of all Kentucky schools received a TSI indicator. The schools must revise their Comprehensive School Improvement Plan (CSIP) to include components of turnaround leadership development and support, the identification of critical resource inequities, evidence-based interventions, and any additional actions that address the causes of consistently underperforming subgroups of students. Revised CSIPs must be approved by the local board of education.

Robin McMurtrey

Robin recently attended a webinar with Commissioner Glass, who said there is no need to panic over the TSI designation. We've been in a pandemic for two years, and students weren't prepared for what was asked of them. Scores are not good in Kentucky or across the nation.

Rachel Dial

A good way to look at it is that this is a baseline, and now we go up from here. Our principals are doing a good job using the data to work with teachers to find gaps and adjust instruction to meet the needs of the students.

Mr. Hurt

The state is working with GRREC and other educational cooperatives on a Deeper Learning grant. Mrs. Dial is involved in that initiative, along with principals and teachers. They seem excited about the work and how it aligns with our vision at Metcalfe County Schools, which is expectations of learning, safety, and a great student experience.

Jamie Moss

- Item 5C is a shortened school day for a student. We may have more for students with medical needs as the year goes on.

Allen Trotter

- No comments.

Matt Shirley

- Football game with Danville tomorrow night is a 6:30 kickoff instead of 7pm. We will have extra concessions and restroom facilities.
- Middle school girls are playing their last game tonight.
- Meet the Hornets is Nov. 17 at 5pm.
- The first girls and boys varsity basketball games are on Nov. 29.
- Shout out to all of our coaches who are working very hard in competing and winning competitions.
- Emily Shaw qualified for state cross country.

Clint Graham

- Teachers have been working hard in PLCs and data. Had a great TruScore test today. Based on the results, we will meet with the students and parents to personalize instruction.
- Congratulations to our cafeteria staff for an awesome audit. We work with the best. They don't make food; they serve kids.

- Congratulations to Kassady London, Chase Wilson, Dale Tidwell, and Riley Froedge for competing at The North American International Livestock Exposition. This is the largest purebred show in the world and is hosted in Louisville, Ky.
- Academic Team freshmen and sophomores traveled to Somerset to compete in the JV Challenge. Alyssa Williams placed in two categories against students from five other schools.
- Cheerleaders had a good showing at the regional competition this past weekend.
- Band placed 10th in the state 1A competition at ECU.
- MC FFA competed in the State Land & Homesite Evaluation Contest. They finished 12th in Land Judging & 6th in Homesite Evaluation. Emily Shaw Placed 2nd highest individual score in homesite eval. Members: Luke Meadows, Ada Bennett, Emily Shaw, and Kayleigh Pugh.
- The Heisman Trophy Trust announced the 2022 School Winners for the Heisman High School Scholarship. We want to congratulate Metcalfe County High School Seniors Jaxon Allen and Lindsey Bandy on being selected from MCHS. They compete at state now.
- MC Shirt Shop is up and running. Students are really enjoying this experience.
- MCHS is pleased to announce that Kevin Graham, a Senior at MCHS, was selected for the Cleary Apprenticeship Program.
- FFA led a great corn maze this year. It went very well.
- We had a great MCHS College Application Day. Thanks to all the colleges who help make this day possible.
- We had great Beta and National Honor Society induction ceremonies.
- Everyone is invited to our Veterans Day program and Hall Roar tomorrow to support the Hornet football team.

Torrie Osbon

- Item 5G is a request to apply for cycle 20 of the 21st Century grant for the high school. The high school's current grant ends next spring.
- There is also a survey circulating to gather feedback from students, parents, teachers, staff, and the community about our 21st Century program.
